Union City's Light Up the Night Returns with Family Fun, Celebration, and Community Pride

(Union City, GA) - City of Union City is excited to announce our fourth annual **Light up the Night Laser Light Show**, set to illuminate the night sky and provide an unforgettable experience for residents and visitors alike. This free, family-friendly event invites residents and visitors to enjoy an evening filled with community, entertainment, food, activities, and unforgettable summer fun. With a carnival theme guiding this year's celebration, guests can look forward to a vibrant atmosphere designed to bring families, neighbors, and friends together for a night of joy, connection, and excitement. It will also run in conjunction with our **Back to School Bash**, where we will give backpacks filled with school supplies to students of all ages.

Light Up the Night continues to foster a sense of unity and pride within Union City and neighboring communities. The event exemplifies the City's R3 Master Plan to **Reclaim, Renew, and Reimagine** community engagement.

This has become one of Union City's signature summer events, creating a space where the community can gather, celebrate, and experience the energy of a city continuing to grow with purpose. As the evening unfolds, guests will experience the sights, sounds, and spirit of a carnival-inspired celebration before the night concludes with a stunning finale that will light up the sky. Festivities will kick off promptly at 6:30 pm, ensuring an evening of unforgettable experiences and lasting memories.

"The Council and I are excited to host this spectacular Laser Light Show Celebration for our community." said Mayor Vince Williams. "This year's carnival theme brings a new level of excitement, fun, and creativity for families to enjoy. We are proud to continue creating moments that bring our residents together, support our students, and showcase the vibrant spirit of Union City."

The City invites everyone to come out, bring the family, and be part of an evening filled with celebration, connection, and memories. From the carnival-inspired fun to the electric atmosphere, this year's Light Up the Night promises to be a summer highlight for the entire community.
